INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT GENERAL, MYSORE, BANGALORE.

Notification dated 8th January 1957.

From

The Accountant General, Mysore
Bangalore.

To

All the Drawing Officers in the State.

Sir,

Subject:—Preparation of Pay and T.A. Bills, etc.

No. 14/T.M.—56-57. In accordance with the decision of the State Government communicated in the Finance Department letter No. Fl. (B) 11400, dated the 1st November 1956, the Government Servants allotted to the Mysore State from the former States of Bombay, Hyderabad, Madras and Coorg will continue to be governed, until further orders, by the respective Service Regulations which were applicable to them before the appointed day, *viz.*, 1st November 1956.

2. There may be in the new set-up of the State several instances of the establishments containing officials transferred from more than one State who are governed by different Service Regulations. In such cases, their claims for Pay, T.A., etc., will have to be audited in this office with reference to the relevant rules applicable to them. It is therefore necessary to distinguish the claims preferred in the bills according to the areas of the former States from which the officials have come. I would, therefore, request that until such time as uniform Service Regulations are made applicable to all the Government servants in the State, the claims for Pay, Travelling Allowance, etc., of all the Non-gazetted Government servants may be grouped separately in the bills according to the areas of the pre-recrganisation States from which the officials concerned have been transferred.

Yours faithfully,

P. K. SEN,
Accountant-General.

956

Circular dated 8th January 1957.

To

All the Heads of Departments.

Sir,

Subject.—Classification of charges by Treasuries and drawing officers (State) in the merged areas.

No. T M. 16—56-57. It has been noticed in the course of audit that certain officers of the districts transferred from the former States of Bombay, Hyderabad, Madras and Coorg are continuing to furnish the same classification, as they were furnishing before the reorganisation of States on the bills/challans presented at the Treasuries even after 1st November 1956 in respect or charges/receipts pertaining to the New Mysore State. This procedure is not correct. Since for all the expenditure and receipts relating to the merged areas also provision has been made in the Budget Estimates of the New Mysore State, the classification to be furnished on all the bills and challans should invariably be in accordance with the heads of account appearing in the Budget Estimates of the Mysore State. I would, therefore request you to issue instructions to all the drawing officers in the transferred districts under your control to see that correct classification as indicated above is noted on all bills/challans, etc., presented at the Treasuries. The Treasury Officers have been instructed to return all bills/challans which do not bear correct classification.

Yours faithfully,

B. VENKATARAMAN,
Deputy Accountant General.
